## CITY OF MANCHESTER

IN BOARD OF MAYOR & ALDERMEN

DATE: March 21, 2006

ON MOTION OF ALD. Lopez

SECONDED BY ALD. DeVries

refer to the Human Resources  
VOTED TO Director and the Committee on  
Human Resources/Insurance.

CITY CLERK

To: All Department Heads  
From: Craig Smith, Assistant to the Mayor  
Date: March 15, 2006  
Subject: New Process for Seeking Grants for Manchester

Below is the new process for seeking out grants that the Mayor would like to implement effective immediately. Please let me know if you have any questions.

Each Dept should identify a Grant Coordinator for the department. This person will be the point person for all grants pertaining to that department. Department Grant Coordinators should be a preexisting member of the department staff who has above average communication skills and a good understanding of the department's subject matter. No additional taxpayer money should be dedicated to this process. The goal is to use preexisting department resources to bring in outside money.

Department Heads are expected to notify Craig Smith (Mayor's Public Affairs Advisor) who their Grant Coordinator is and provide him with all of their contact information. Department Heads should also notify the Mayor's office when/if they ever change their Grant Coordinator.

The Department Grant Coordinator will be responsible for regularly searching for grants, matching up grants with department needs, writing proposals for the grants, and submitting the grant proposal. The Department Grant Coordinator is also the person that will be advertised as the person to contact when someone outside of the Department identifies a grant that may be of benefit to that department.

Dennis Hebert or a VISTA Volunteer designee will train each Grant Coordinator on how to find grants and how to write proposals. Writing successful grants is a skill that should be taught and then fine tuned through experience, but can be done. Having a person that deals with the subject matter on a daily basis trained and writing the grants will be much more effective than a third person relying on secondhand information will.

Craig Smith will oversee the Grant process and should be notified of all grants applied for by the Department Grant Coordinator. Each Friday, the Department Grant Coordinator will update Craig on the status of their grants. Craig will keep the data in spreadsheet that will track all of the grants applied for in the City.

Craig will also be actively seeking out new grants, and will notify the appropriate Department Grant Coordinator when he finds something that may help their department.

The Mayor's Office has considerable contacts in both the State and Federal Governments. Once a grant is applied for, if the Department Grant Coordinator feels that a phone call and/or letter from the Mayor would help, one can be arranged. The Department Grant Coordinator would have to notify Craig that a call would be needed, and provide him with as much information about the grant as possible so he can brief the Mayor prior to the call.

Departments should identify a Grant Coordinator and submit to Craig Smith ([csmith@manchesternh.gov](mailto:csmith@manchesternh.gov)) that person's name and contact information by Friday, March 24. Once all departments have submitted information, a training schedule will be arranged with Dennis Hebert and the coordinators will be contacted.

Re: Request for New Position/Class Spec. Airport

Dear Alderman Gatsas and Members of the Committee:

On behalf of Kevin Dillon, Airport Director, I am requesting the establishment of a new position and a new class specification. The new position/class specification that is proposed is an Airport Financial Manager, salary grade 24.

Mr. Dillon has studied his financial organization within the Airport. He has concluded that there needs to be a change in the duties and responsibilities of the Business Service Officer which will create a vacuum in the Financial Division. Specifically, if you will look at the proposed organization chart, there is a significant need for a high level financial person in the Property Management and Contracts Division. Therefore, Mr. Dillon would like your approval to move the Business Service Officer position to the Property Management Division. There is a need for a higher level financial position to include in depth knowledge of FAA financial requirements in the Division of Finance and Administration. As such, Mr. Dillon is proposing a new class specification which would meet the higher level of knowledge and experience that is much needed at the Airport to fulfill those requirements as well as to manage the day to day financial operations of the Airport.

I am attaching a proposed class specification for your review and information. I am also enclosing a copy of a revised organizational chart.

Your favorable approval of these requests would be greatly appreciated.

Respectfully submitted,

Virginia A. Lamberton

Re: Revision to Class Specification

Dear Alderman Gatsas and Members of the Committee:

Over the years, the City has had difficulties finding qualified candidates for the Building Inspector positions. The primary problem is that there are not enough individuals who possess the certification as a Building Inspector.

Therefore, Leon LaFreniere, Building Director, and I have discussed the idea of changing the class specification to allow individuals with the required experience and education, to be able to attain the Building Inspector certification during the probationary period. If the individual does not attain the certification during the probationary period, he/she will be terminated.

You may recall that we have had to do this in several other class specifications at Water Works, Highway, Parks, etc. etc. Thus far, this has been very helpful to the City.

I am attaching a copy of the class specification with the added language which allows for the individual to attain his/her certification during the probationary period.

Your favorable approval of this revision would be greatly appreciated.

Respectfully submitted,

Virginia A. Lamberton

Alderman Ted Gatsas, Chairman  
Human Resource and Insurance Committee  
City of Manchester  
One City Hall Plaza  
Manchester, New Hampshire 03101

Dear Alderman Gatsas and Members of the Committee:

The enabling legislation for the City of Manchester Employees' Contributory Retirement System provides for participation in the system for both full time and part time employees. As such, both part time and full time employees that contribute to the System will get a retirement annuity once they have met all of the requirements of the System.

There are currently seventeen (17) individuals who work part time on an ongoing basis of more than twenty (20) hours a week. Those employees accrue leave time pursuant to Ordinances. Part time employees do not get health insurance. The implementation of the health insurance subsidy requires the part time employees to pay the 5% contribution just like the full time employees. However, upon retirement, those part time employees will not be eligible for health insurance as it stands today. Further, with the adoption of Chapter 41, Laws of 2005, there is a policy question as to whether or not the City will allow former part time employees who are collecting retirement to sign up during the open enrollment for all retired employees.

Therefore, I am requesting that the Board of Mayor and Aldermen consider adopting one or more of the following policies:

- Establish a minimum number of hours per week that a part time employee would have to work in order to be eligible to participate in the Retirement System. I.e 20 hours, 30 hours, 35 hours.
- Establish a policy as to whether or not upon retirement, a part time employee can purchase health insurance.
- Make a decision as to whether or not the City will allow former retired part time City employees to sign up for health insurance during the open enrollment period.

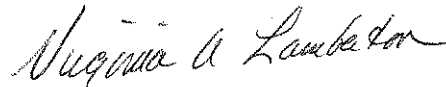

April 24, 2006

The last bullet needs to be answered by May 12, 2006. The Retirement Director needs to know this because he is going to be sending out letters to retired employees notifying them of the open enrollment in order to receive the subsidy. I am attaching a copy of his letter to me regarding this issue for your review and information.

Thank you very much for your consideration of these important questions.

Respectfully submitted,

Dear Ginny:

I am writing to document an immediate concern regarding a handful of City participants in the Manchester Employees' Contributory Retirement System who are now contributing toward a health insurance subsidy and who, for whatever reasons, do not presently qualify for City health insurance. The question has been posed as to whether these individuals will be allowed to join the City group upon retirement in order to be able to utilize their subsidy entitlement. This is not to say that they should be allowed to join the group prior to retirement and we do not contest the City's decision to exclude them from eligible while they are still employed. Our concern is that these few individuals are obligated by law to fund a benefit structure which they won't be able to use if the City denies their enrollment into the group at the retiree's full expense upon retirement. The Manchester School District has already considered this issue as they also have a handful of plan participants in a similar situation and have decided not to deny enrollment upon retirement. This office needs to know the City's position on the matter before May 12, 2006 so that it may accurately proceed with communications to plan participants on various aspect of the benefit implementation stage of the retiree health insurance subsidy program created by Chapter 41 Laws of 2005. Please inform me in writing of the City's position on this issue before the May deadline.

Respectfully,

Gerard Fleury – Executive Director

*Welcome to the City Of Manchester NH, Where History Invites Opportunity!*

Alderman William P. Shea, Chairman  
Human Resources Committee  
1 City Hall Plaza  
Manchester, NH 03101

November 15, 2004

Dear Alderman Shea,

Please place an item relative to regular part time employees on the next Human Resources agenda for discussion.

At issue is the determination of status as regular part time/seasonal/temporary which determines length of probation, thus affecting the first merit increase and subsequent increases.

The Tax Collector's Office has employed two part time employees as a replacement for one full time position for close to twenty years. At one time they were called permanent part time and that was changed to regular part time. These employees work 20 hours per week year round (no break in service), earn vacation and sick leave, are entitled to bereavement leave, tuition reimbursement (pro-rated) and paid holidays and are automatically enrolled into our Contributory Retirement System and are permitted to join the Sick Bank. It is mandatory that they attend Orientation and are given a Handbook detailing benefits. The handbook states that: "The first six months of your employment with the City are considered a probationary period." (Page 3-2). It also states that: "Upon completion of your probationary period, regular, full-time and regular, part-time employees have the opportunity to receive yearly advances in pay grade." (Page 3-3 attached).

The Human Resources Department believes that these part time employees are seasonal/temporary. Since seasonal/temporary employees are hired for a specific "season" (such as lifeguards in summer and ski lift operators in winter) or "purpose" (such as those hired for elections), they are generally hired knowing that their employment is for a short, specific term. Furthermore, temporary employees are not members of the Retirement System or Sick Bank, are not required to attend Orientation nor are they entitled to the benefits afforded a regular part time employee. The ordinance referencing seasonal/temporary employees (33.063 attached) was changed in August 2002 to reflect changes in step increases. There is an ordinance (33.062 attached) referencing part time employees but it was not changed, nor does it reference step increases.

One of our part time employees was hired in July and is due an increase at the end of her probation in January. This amounts to .40 per hour which is \$8.00 per week as a regular part time employee. I am requesting that the Committee reaffirm her status as a regular part time employee thus allowing her an increase upon completion of her probationary period which is 6 months according to our Employee Handbook (page 3-2 attached).

Thank you for your thoughtful consideration of this matter.

Sincerely,

Sincerely,  
Joan A Porter

(E) *Rate of pay on promotion.* In any case where an employee is promoted to a class with a higher pay grade, the employee's pay shall be increased to at least the minimum rate for the higher class, but such increase shall be no less than 10% of the employee's current pay. In the case of overlapping pay grade ranges, the promoted employee shall be increased to the step immediately above the employee's current pay, but such increase shall be no less than 10% of the employee's current pay. If the employee refuses the promotion, the Human Resources Director may approve an additional pay step increase. If the employee still refuses the promotion, the Human Resources and Insurance Committee may approve two additional pay step increases. Effective dates for promotions shall be the first work day following approval of the promotions.

(F) *Rate of pay in cases of voluntary transfer to a lower pay grade.* When an employee takes a position at a lower salary grade, the employee shall be demoted to the lower grade based upon his/her years of service. Re: Response to Joan Porter's Letter Regarding Part Time Employees

Dear Alderman Shea and Members of the Committee:

On November 15, 2004, Joan Porter, Tax Collector, wrote you a letter regarding a part time employee who works in the Tax Collector's Office. Mrs. Porter states that this office is defining part time employees as seasonal or temporary employees for the purpose of receiving a step increase. This stems from the fact that a part time employee was hired in July. It is Mrs. Porter's opinion that the part time employee is serving a probationary period and at the conclusion of the probationary period, she will be entitled to a step increase as is authorized for full time employees in Ordinance 33.047. This office is denying the step increase due to the fact that Ordinance 33.062 (B) requires part time employees to work 2080 hours to receive a step increase as is authorized in Ordinance 33.063 by reference from Ordinance 33.062 (B). The 2080 hours is equivalent to what is required of a full time employee to receive a step increase.

Mrs. Porter cites several references to support her position. Although well intended, these references are not for part time employees. For example, the Ordinances are written for regular full time employees. Exceptions to those for part time, seasonal or temporary employees are stated in certain Ordinances. For example: Ordinance 33.062, Part Time Employees, Ordinance 33.075, Holidays, Ordinance 33.077 Bereavement Leave, Ordinance 33.079 Vacations, and Ordinance 33.081 Sick Leave. Therefore, part time employees are not entitled to be included in Ordinances that affect full time employees unless specifically stated.

The Employee Handbook is written in the same fashion. The Handbook that Mrs. Porter has copied for your information was revised over a year ago to reflect the Ordinances. The language is written for full time employees as the majority of the Ordinances dictate.

Although there are a couple of instances where an Ordinance states "permanent" part time or regular part time employee, by law, only full time permanent employees are considered regular. Those ordinances should be revised to ensure clarity of the status of a part time employee. Further, part time employees do not serve a probationary period. They are part time and paid by

the hour. They do not have any recourse if they are terminated from employment as do the regular or permanent employees.

In conclusion, the requirement for part time employees to work the equivalent number of hours as full time employees are required to work in order to receive a step increase, was proposed to ensure that all employees be treated equally for step increases. This has been enforced since the Ordinance was revised to include a part time employee in Human Resources.

I hope this clarifies the situation. If there are any other questions, I would be pleased to answer them.

Respectfully submitted,

Dear Alderman Shea and Committee Members:

At our last Human Resources and Insurance Committee meeting, we discussed Ordinances that establish the number hours that are required for a part time employee to receive a step increase.

Several members of the Committee requested a listing of the current part time employees. Therefore, I am providing you with the list as of today.

I will be happy to explain the document to you at our next meeting.

Very truly yours,

Welcome to the City Of Manchester NH, Where History Invites Opportunity!

December 30, 2005

Alderman William P. Shea, Chairman

Human Resources and Insurance Committee

1 City Hall Plaza

Manchester, NH 03101

Dear HRIC Members,

At the last HRIC meeting, we discussed the Ordinance change of 8/7/02 which inadvertently changed the manner in which part-time employees are granted merit increases.

I say "inadvertently" because I have since read the minutes of the meeting during which the Committee approved the ordinance. A copy is attached for your review. The Ordinance in question is: **33.63 Temporary and Seasonal Employees**. Alderman Sysyn asked "what does this revision do" and the response from Ms. Lamberton pertained to the ordinance as it existed in which temporary and seasonal employees would work for the summer for 10 or 12 weeks, leave and come back next year and get a step increase. Ms. Lamberton went on to say that she proposed that they (temp/seasonal) would have to work the equivalent number of hours as a full-time employee to progress in steps. There was no mention of the part-time employees or the impact upon them or of Ordinance 33.62 which is governed by any changes to Ordinance 33.63.

At issue is the intention of the ordinance change. The intention was to correct a practice of granting yearly step increases to employees who were temporary or seasonal. The unintended effect was that regular part-time employees became classified as temp/seasonal for pay purposes. This change was never discussed. The regular part time employees to whom I am referring are employees who do the same exact job as a full time employee, are committed to work year round and receive many benefits that temp/seasonals do not.

This unintended effect has the following impact on part time employees, contrary to the intention of Yarger/Decker which was to have employees compensated equally for doing the same job. Let's assume we hired a part time (20 hours per week) and a full time person on January 1, 2005 at a rate of pay of \$10.00 per hour.

	Jan05	July05	Jan06	Jan07	Jan08	Jan09
FT	\$10.00	10.30	10.60	10.91	11.23	11.56
PT	\$10.00	10.00	10.00	10.30	10.30	10.60

As you can see, after 4 years, the part time employee who is doing the same job is getting almost \$1.00 less per hour (and obviously only being paid for 20 hours while the full time is being paid for 40 hours) but is expected to perform comparable to a full time person (pro-rated). We do track performance levels.

I look forward to further discussion at the HRIC meeting on Tuesday, January 4<sup>th</sup>. If you have further questions please contact me at 624-6575 x5303.

Respectfully submitted,

## **PROPOSED REVISION TO**

### **ORDINANCE 33.063**

## **TEMPORARY AND SEASONAL EMPLOYEES**

July 8, 2002

### **CURRENT LANGUAGE**

#### **33.63 Temporary and Seasonal Employees.**

Any temporary or seasonal employees occupying classified positions shall be employed initially at the hourly rate equivalent to the entrance rate in which employed as established by the temporary and seasonal employee schedule. All temporary or seasonal employees working less than a full work year may annually advance in pay, based upon satisfactory service and upon the recommendation of the department head, to the next higher rate in the grade for the class under salary schedule 1(D) until they reach the maximum step. Such annual advancement within a pay range may continue until the maximum step is reached unless interrupted by a period of absence from work for a period of 12 months or longer. In such event, the employee shall be reemployed at the initial pay step for the class to which he/she is assigned.

### **PROPOSED LANGUAGE**

#### **33.63 Temporary and Seasonal Employees**

Any temporary or seasonal employees occupying a classified position shall be employed initially at the minimum step in the salary grade for his/her classification. Upon the recommendation of a department head, a temporary or seasonal employee may advance one step in his/her salary grade upon satisfactory completion of 2080 hours of work. Such advancement within a pay grade may continue until the maximum step is reached unless interrupted by a period of absence from work for a period of twelve (12) months or longer. Chairman Lopez addressed Item 7 of the agenda:

Communication from Virginia Lamberton, HR Director, recommending a proposed revision to Ordinance 33.063 (Temporary and Seasonal Employees).

Alderman Shea moved to approve the proposed revision to the Ordinance and refer it to the Committee on Bills on Second Reading for technical review. Alderman Sysyn duly seconded the motion.

Alderman Sysyn asked what does this revision do.

Ms. Lamberton replied actually currently you could have somebody come and work for the summer for say 10 or 12 weeks, leave, come back the next year and get a step increase and that doesn't seem very wise. What I am saying is they would have to work the equivalent number of hours as a full-time employee to progress in steps.

Chairman Lopez called for a vote. There being none opposed, the motion carried.

Chairman Lopez addressed Item 8 of the agenda:

Communication from Virginia Lamberton, HR Director, recommending a remedial revision to Ordinance 33.081 (4) (Sick Leave).

Alderman DeVries moved to approve the proposed revision to the Ordinance and refer it to the Committee on Bills on Second Reading for technical review. Alderman Sysyn duly seconded the motion for discussion.

Ms. Lamberton stated apparently in 1990 the Board of Mayor and Aldermen passed a proposed language revision that nobody followed up with to correct the ordinance to reflect what is reality and in fact this is exactly what has been going on for the last 10 years but the ordinance doesn't reflect that. Now the ordinance will reflect that and clarify that this is the way it is.

Alderman DeVries asked and this would apply to whom.

Ms. Lamberton answered non-affiliated employees. Affiliated employees have provisions for pay out and so forth. This is a housekeeping measure.

Chairman Lopez called for a vote on the motion. There being none opposed, the motion carried.

Re: Requests for New Classification and New Positions

Dear Alderman Shea and Members of the Committee:

On behalf of Tim Clougherty, Chief Facilities Manager, and Frank Thomas, Highway Director, I am requesting the establishment of a new class specification Painter, salary grade 13. In addition, I am requesting the establishment of two Painter positions.

Apparently years ago, the City had several painter positions. Those positions no longer exist. Due to the fact that there will be a need to maintain the new construction in the schools from the Design Build project, it has been determined that there will be a need to employ at least two full time Painters. Therefore, we have developed a new and updated class specification with the title of Painter. I am attaching a copy of the proposed class specification for your review and information. I am also attaching a copy of an updated organization chart for the Facilities Division. Funds are available in the Facilities budget to support these positions.

Your favorable approval of these requests would be greatly appreciated.

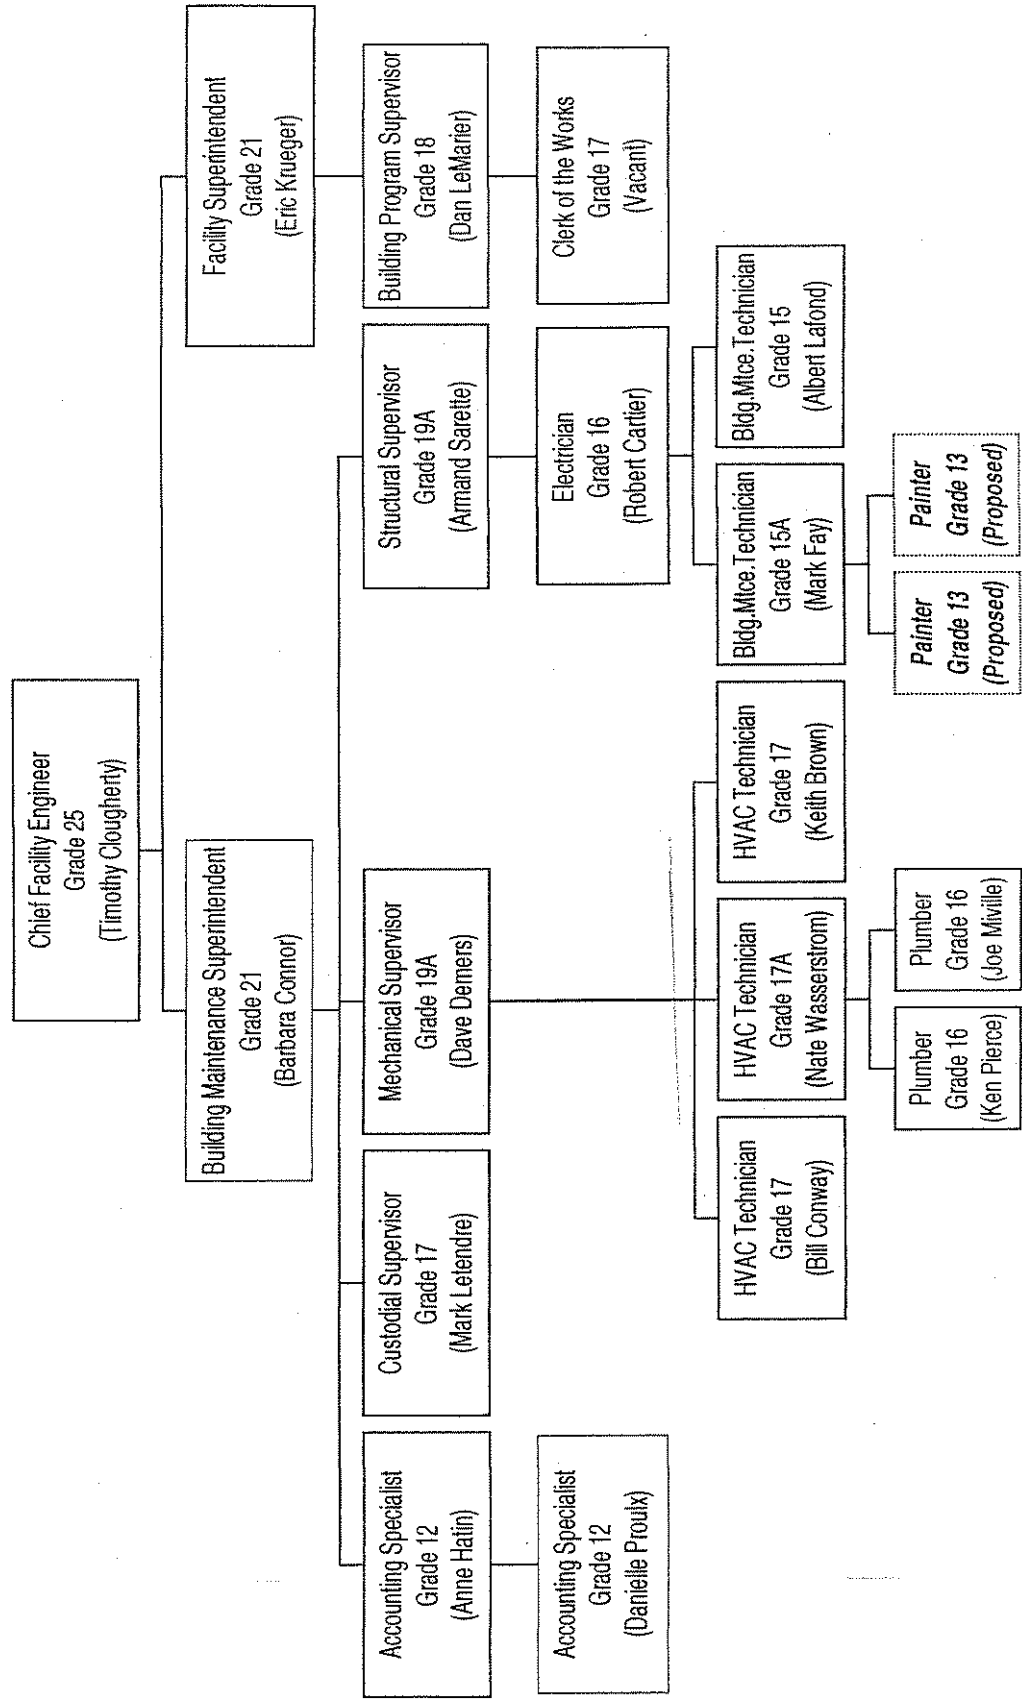

Respectfully submitted,

Re: Request for Reclassification & New Class Specification

Dear Alderman Gatsas and Members of the Committee:

On December 19, 2005, the Board of Mayor and Aldermen approved the establishment of three new positions at the Airport. The positions are titled Canine Handlers. The salary grade for this classification is sixteen (16).

Since that approval, Kevin Dillon, Airport Director, has requested that one of the new positions be reclassified upward in order to have a lead worker. As such, Mr. Dillon is requesting the establishment of a Canine Handler Supervisor class specification. The salary grade for this new classification is recommended to be at a salary grade seventeen (17).

The base salary for a Canine Handler, salary grade sixteen is \$33,895. The base salary for a Canine Handler Supervisor, salary grade seventeen is \$36,268.

I am attaching a copy of the new proposed class specification for a Canine Handler Supervisor for your review and approval.

Your favorable approval of this request would be greatly appreciated.

Respectfully submitted,

Virginia A. Lamberton
